Dear Friend:

Welcome to the Babylon Democratic Committee’s Annual Spring Gala titled - The Whole Ball of Wax Honoring Babylon Supervisor Rich Schaffer, Councilman Tony Martinez and our Town Clerk Carol Quirk.

I thank you for your generous contribution and on-going support of the Babylon Democratic Committee and the Schaffer Administration.

You are a stakeholder in our town and island and as such, you can understand and appreciate the leadership provided by Rich Schaffer, the results as they say, speak for themselves. Babylon under Rich’s keen eyes has provided for the friendliest pro-business & development town on Long Island, for a record number of roads to be repaired and reconstructed, we have the best beaches and parks system in all New York State, we have the toughest Quality of Life Task Force protecting our small town way of life, we continue to borrow less than we bond for, our government is smaller and more efficient than ever before all while watching the taxpayers money with two budgets coming in under Governor Cuomo’s tax cap number. For these and a thousand more reasons, I believe Rich and his team should be re-elected this November.

Please join me in supporting Rich in this very tough election campaign. With 175 days to go until election day, your support is critical. We do not take your financial support for granted and will honor your donation by working hard to deliver the highest level of service possible to our residents. Babylon is Moving in the Right Direction, in part due to your friendship and on-going support.

See you at the victory party.

 Democratically yours,
